Hello Karen,

I am hoping that your Christmas and New Year went well for you and your family. On behalf of Catholic Charities, I would like to once again thank you, Chris Drugen and all the great people of the Cleveland Claims Association for providing Christmas for literally hundreds of needy children.

It is truly a blessing to have such wonderful people as yourself, staff and business associates to give of their time, resources and money to help those that are less fortunate during Christmas. Last year was the most difficult year fiscally we have ever experienced in the non-profit sector. Your gifts were not only a treasure for the children but a God send to the organization as well.

The Cleveland Claims Association has done so much for us in helping the children that there are very few words that describe how thankful we truly are. We were honored to be invited to your annual meeting and brunch celebration to thank the businesses that were present.

Please feel free to share this letter with any of your associates.

Sincerely,

**Klavin Boyd
